3 new estoppels in past month.

Vice President's Report:

**Checking Account balance: \$74,640.54
Money Market Account Balance: \$23,751.75
Total: \$96,392.29**

Higher than in past years.

Annual dues bills have gone out.

Secretary's Report: None

Violations Report:

Jim has done playground drive-bys. . If complaints come in, we need to know complainant's names in the future.

Former property management company is bouncing back emails. Needs correction. Leilani has an outdated automatic email message.

Covenants and declaration of restrictions is needed for the record.

Peter asks why people haven't paid dues for 10+ years. Discussion of here-say history.

New Business:

2 liens Rodriguez 2018 and Bento 2015.

HOA can pursue liens by putting in the attorney's hands. Jim suggests direct contact. Some collection progress with Windecker (sp?) Gil suggests wait since past direct contact resulted in payment. Gil asks, does attorney notify owners of lien? Liens are only in place for five years. Two delinquent dues collection options- lien at sale or foreclosure. Frank to approach owners first to try to 'shake the tree' to avoid legal route.

W-9 form requested by adjacent lot developer, DR Horton. It is agreed to be provided.

The Park: Past and new issues discussed

Local deputy says unless someone is caught in the act of breaking the law, they cannot enforce HOA rules. Jim suggests gathering data via camera and getting community involved. Katie suggests solar for powering any camera or lighting. Camera should be mounted very high up. FPL to be contacted to get options.

Future Sign to reflect more definitive wording. eg. dawn to dusk instead of specific times, unless HOA pre-approves of specific hours. Residents only. Use equipment at own risk. Discussion about putting parental permission on sign. Topic to be decided at next meeting (Gil's motion).

Old Business:

None

Resident Comments:

Andy Parmelee expressed appreciation and concern about attention to park. Would like more community involvement.

Discussion of which kids are causing the problems. Suggested that a letter can be sent out.
